Commissioner for Patents PO Box 1450 Alexandria, Virginia 22313-1450

Sir

Submitted herewith on a PTO/SB/08A/B form is a listing of the documents known to applicant in order to comply with applicant's duty of disclosure pursuant to 37 C.F.R. § 1.56. Copies of the listed non-US documents are also being submitted herewith to comply with the provisions of 37 C.F.R. § 1.98.

The submission of any document which is not a statutory bar is not intended as an admission that such document constitutes prior art against the claims of the present application. Applicant does not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.

Statement of Relevancy

The listed document is being submitted either in compliance with 37 C.F.R. §1.97(b), within three (3) months of the filing date of a national application or of the date of entry of the national stage in an international application; or pursuant to 37 C.F.R. §1.97(e)(1), within three (3) months from the date of an office action or of a search report issued in a foreign counterpart application citing each of the documents contained in the present statement; or pursuant to 37 C.F.R. §1.97 (e)(2), within three (3) months from the first knowledge of each submitted document by any individual designated in C.F.R. §1.56 (c), when each such document was not cited in a communication from a foreign patent office in a counterpart foreign application.

It is advised that Applicant believes that there has been a clerical error in citing of one of the references (5,714,139) in the enclosed International Search Report. Having reviewed the corresponding Written Opinion and further information available therein, Applicant believes that the ISR citation should have been 4,714,139 to LORENZ et al., issued on December 22, 1987. Therefore, this reference is also listed on the attached Information Disclosure Statement form PTO/SB/08A pursuant to the duty of disclosure.

In the case of submissions under 37 C.F.R. §1.97(e)(1) and (2), the undersigned Attorney/Agent of Record hereby certifies that the enclosed references are hereby submitted within three months (1) from the issuance of the foreign action or search report, or (2) from said first knowledge, respectively.

Respectfully submitted,

Date: August 22, 2005
